

ISEE-U Parificato

ISEE-U is a sort of parameter that measures your economic status (for you and eventually your family). For Italian students this is important in order to get a reduction of University fees and other facilities. If you are an international student, you can obtain a similar parameter named ISEE-U Parificato. First of all, we have two cases:

- 1. You are an Independent* student** – in this case you need to prepare the following documentation:
 - Income related to fiscal year 2015
 - Properties and financial assets related to fiscal year 2016
 - Personal information
- 2. You are a Non-independent student** – in this case, you need to prepare the same documentation requested in point 1 **for each member of your family**:

The above-mentioned documentation must be prepared **before coming to Italy** because it has to be:

- issued by the competent authorities of the country **where the income was produced** (for example you can be an independent foreign student that works in Italy) **AND**
- translated in Italian. For the translation you can contact the Italian Embassy or Consulate of your country **AND**
- one of the following:
 - a) if you come from an EU member state **nothing else to do**
 - b) if you come from one of the [Country in this list](#), the documentation needs the Apostille** from the [Designated Competent Authority\(ies\)](#)
 - c) if you come from one of the [Country reported in the Ministerial Order n. 1455/2017](#) at **article 1**, the evaluation of the economic condition is carried out on the basis of a certification of the Italian Representation of your country attesting that you and/or your family have not a high income
 - d) If you come from a Country not belonging to those reported in point a), b) or c) the documentation must be legalized through the Italian Embassy or Consulate in your country.

After having prepared all the documentation, once arrived in Italy, you need to obtain your fiscal code, please see later in this guide, because it is part of the personal requested.

Finally in order to get the ISEE-U Parificato, you just have to put in contact with a Fiscal Assistance Center (CAF) that will do all the rest free of charge.

* The student is considered autonomous or independent, if both of the following requirements are met:

1. he lives alone in a house not owned by his family for at least two years from the date of submission of the ISEE-U
2. he has an adequate income, that is at least 6,500.00 € of income from employment or equivalent for at least two years.

** According to the Hague Convention of 5 October 1961 Abolishing the Requirement of Legalisation for Foreign Public Documents ("Apostille Convention")

Health Care – Italian National Health System (SSN)

«The Italian Law recognises the right to health as a fundamental human right. Regular staying foreign citizens are fully entitled to the same treatment and civil rights as Italian citizens. National Health Services are guaranteed full assistance under the same conditions of Italian Citizens»

INFORMASALUTE

- Being a student with a stay permit for more than three months, you can apply for a voluntary registration with the SSN.
- In order to apply for the registration, you just need to go to the Local Health Authority – Azienda Sanitaria Locale (ASL) closest to your place of **residence** or **abode**. You will find an apposite office or desk called “Choice and Revocation of GP” (Scelta e Revoca del Medico Curante) that will provide a list of available GPs.
- Foreigners residing for study purpose will pay a fixed yearly lump sum
- The SSN card is issued at the moment of your registration
- You can access health services only by showing your SSN card
- **For further details please see below**

The Ministry of Health, in collaboration with the Ministry of the Interior and with the National Institute of Health, Migration and Poverty, has carried out a project co-funded by the European Union to inform foreign citizens about the National Health Service.

The project led to the creation of an ["InformaSalute" brochure](#) that guides the foreign citizen to health care.

Università di Roma

Tor Vergata

Università degli Studi di Roma "Tor Vergata"
Direzione II - Divisione I - Ripartizione III

Health Care – Tor Vergata White Codes

- White Codes is a service offered by the University to foreign students that allows free access to basic health care
- This new service was strongly supported by:
 - ✓ Professor Giuseppe Novelli, Rector of our University
 - ✓ Dr. Giuseppe Colpani, General Director of our University
 - ✓ Dr. Tiziana Frittelli, General Director of Tor Vergata University General Hospitaland organized by
 - ✓ Professor Stefano Marini, president of the IMS (International Medical School)
 - ✓ Professor Andrea Magrini, Occupational Medicine
 - ✓ Professor Tonino Marsella, Legal Medicine
- The service is fully free for European students with an ENI number as well as for students of any nationality registered with the SSN (see previous page)
- The clinic will be open Monday and Thursday from 2PM to 4PM, at the premises of the Occupational Medicine, on the second floor of the Tor Vergata University General Hospital
- Students can go to the clinic without the need for an appointment for the following services:
 - Non-specialist medical examination
 - ECG and blood pressure measurement;
 - Prescriptions of medical therapy, blood tests or instrumental examinations, specialist examination;
 - Some medical certificates
- As part of the service, a nutritionist will be available for assistance on eating disorders as well as for personalized diets.
- Inside the clinic **it is not possible** to carry out vaccines, to provide assistance in emergency conditions, to perform surgical dressings or other interventional and diagnostic procedures.
