Activating the Tor Vergata e-mail service

The University of Rome “Tor Vergata” makes available to all students the e-mail service. To activate this service, follow the guide below.

1. Log in on Delphi’s Student Section

2. Click “Activate Other Services”
3. Click “Launch Microsoft Office365”

4. Click “Set/Reset Password”

5. Select the given student e-mail address by clicking on “RESET”
6. Choose a new password and confirm by clicking “NEXT”

7. The procedure is complete. Once the email address has been activated, you will be able to access your email account on outlook.com/uniroma2.eu by entering:

- User: name.surname@cloudsa.uniroma2.eu;
- Password

Please Note: the UserID name.surname@cloudsa.uniroma2.eu allows to access multiple services. The name.surname@students.uniroma2.eu ID is reserved to access the email service.
